NO ONE LEFT BEHIND PERMANENT VISAS FOR REFUGEES

Saturday 5th November 2:00pm
State Library, Melbourne

- End the Flawed Fast Track Assessments: Re-evaluate all Claims
- Permanent Visas for all Refugees and Asylum seekers on Bridging and Temporary Visas

There are 19,000 people living on temporary protection (TPV) or Safe Haven Enterprise (SHEV) visas. Another 10,000 were refused a visa under the Coalition's 'fast-track' system, and are living on even more precarious bridging visas. They all need safety and the security of a permanent visa.
